THROUGH: Assistant Director, Research and Reports
THROUGH: Chief, Geographic Research Area
SUBJECT: Commendation for [REDACTED] STK APT

25X1A9a

25X1A9a

1. For the past eighteen months, Mr. [REDACTED], Chief of the Special Register, DCR, has rendered much invaluable service in our development of the support role of the Statistical Branch as a working component of Project ETAUTOMAT. He has been most perceptive and understanding of the wide variety of complex and unique problems confronted by this Branch from its activation until its recent designation as a Division.
2. Project personnel at all levels have the highest personal regard for him and great respect for his ability, loyalty and sincere interest in the success of Project ETAUTOMAT.
3. It has been a genuine personal pleasure to have been associated with [REDACTED] in this undertaking and I wish to officially add my commendation to those of his former associates here for his superior performance.
